## Only One Dollar for the Balance of the Year 1901 BUT FIVE HUNDRED NEEDED

It has been decided to offer the EVANGELIST to new subscribers the balance of the year for one dollar, and make a special effort to increase the present list to 3,000.

Except to our agents we have not heretofore made known the number of subscribers on our list. At present the list aggregates 2550, but of these quite a number have not yet renewed, and some will no doubt drop off, so that to make the full 3,000 subscribers we must count on at least 500 more. We have carefully calculated the number of papers going into each of the several Conference Districts, and so far as reliable statistics are at hand we have formulated the following proportionate table, showing how many of the 500 should go into each of the several districts so as to preserve the proper proportion:

This table will be repeated each week until April 1, 1901, and new subscribers coming in will be credited to the state or district from which they are sent. Pastors, agents, and all others interested in the success of our publication interests, we appeal to you for a thorough canvass of the field. Get your people together and learn into what homes the paper is now going, and where it is not going, make a list of all members in your congregation not subscribers to the EVANGELIST and then canvass them for subscriptions.

The work is moving forward. Please note that Pennsylvania has made one-third of the way. There are several hundred people waiting to be asked to take the paper. Hundreds have been baptized and added to the church during the winter. Are these reading the paper? Some five or six back numbers (including Twentieth Century number) can be supplied to all new subscribers.
